Evaluate the WebGIS-WAFS Application Second Pilot

Notice:

Please note that the testing of the WebGIS-WAFS software is subject to the following clauses which you (as the Beta User) have considered to have read and agreed to before using this application:

1. No commercial and operational use during the Trial period.
2. Access to the application for evaluation, testing and experimentation purposes will be available for a period of thirty (30) days.
3. No direct or consequential damages for usage of the system.
4. IES welcomes and appreciates your ideas and observations. As such, during the testing period, you are encouraged to provide feedback, comments, and/or suggestions on the application.

By clicking the link below, you acknowledge that you have read and agreed with the statement under the notice.

Try it now!
